NUMBER 3

GLOBAL AWARENESS

If you have listened to the recent news, you know that Haiti is on all of our minds and hearts due to the recent earthquake disaster. NCM is working diligently to get help in the area. There is a strong need for crisis care kits and clothing boxes to be sent to Fawn Grove.

There is a call for teams to go to help but much later when things are somewhat calmed down.

PRAYER

The prayer of a righteous man is powerful and effective. - James 5:16b

Giving is so important when there is a world crisis but PRAYER is powerful. Do you have an organized prayer group that is remembering the needs of Haiti and other world needs? We need to be praying for the people of Haiti, the orphans, the family members that are missing loved ones, the workers, and all those that are suffering in this disaster.

EDUCATION

The adult mission education resource is getting a new face! At the NMI convention in April, the new Living Mission box will be unveiled. You will be able to get this resource that will include lessons, discussion starter DVD's, podcasts, CAUSES, downloadable materials, and more! This will

“Come, follow me,” Jesus said, “and I will make you fishers of men.”
Matthew 4:19

be the first 6 month curriculum. In September, the second half of the curriculum will be shipped to you. You will pay one price for both of the boxes. This is going to be a great improvement with even more information.

GIVING

End of the year reports will be due in early March. Please check to make sure you have completed all the information completely to ensure records are kept up-to-date. Paying the WEF obligation is important to ensure missionaries stay on the field and that future work and witness trips will continue. The recent crisis in Haiti is in need of funds. If your church can give, please send to the GT's office and mark it for Haiti relief.
