## GLOBAL AWARENESS

The new Living Mission is here! I trust you purchased it at the convention or have ordered it from NPH. This is a new format than what we have had in the past for our adult mission curriculum. This packet has posters, an educational guide, DVD's, and CD's for you to use. The topics are more focused on current topics, rather than country areas. Around October/November you should receive the second part of the packet for the second half of the church year. The good thing about the new curriculum is that they give you many examples of how you can use it to fit the format which is best for your congregation and service.

## PRAYER

*Commit to the LORD whatever you do, and your plans will succeed. .Proverbs 16:3*

Is prayer a priority in your local church? Have your local NMI council take the reins of making it important in your church by providing regular prayer/fasting emphases. Get your youth group involved with this as well. Prayer isn't just for adults.

### WEBSITE OF THE MONTH!

This website will keep you informed of the needs of our youth today. Check it out!!

“Come, follow me,” Jesus said, “and I will make you fishers of men.”

*Matthew 4:19*

## EDUCATION

I know *everyone* is reading the mission books and listening to the CD's. Is your pastor? Try to get them involved in reading them as well. That's a great incentive for the rest of the congregation to get going with that as well. Maybe you could convince your pastor to do a brief book report about one of them on a Sunday morning for your mission moments. Have your youth group plan a mission moment or service. Get your youth involved! Just asking them get's the ball rolling!

Joyce Willey is our L.I.N.K.S. coordinator. She frequently sends emails out to remind us to send cards to the missionaries for their birthdays, anniversaries, and also to send in your LINKS cash assignments. If you have any questions, please contact her at [row76@comcast.net](mailto:row76@comcast.net). She can help you with any needs or concerns you may have.
