Congratulations to Mrs. Rachel Hubbard, New District NMI President

Mrs. Sharon E Kessler previously announced that she would be stepping aside from the position of District NMI President at the close of NMI Convention during Mission Advance in April 2020. With the convention cancelled there was no opportunity for the election of a new President to take place by delegates from across the district.

Following procedure in the NMI Constitution, the District NMI Council has the authority to elect the President from the two nominees previously approved, Mrs. Rachel Hubbard and Mr. Jeremy Post. The Council met on May 2, 2020 and elected Mrs. Rachel Hubbard who will begin her service as District NMI President effective June 1. Rachel is a member of the Denton church and has served on the District NMI Council as Secretary, and most recently, as Vice President.

Mrs. Rachel Hubbard

Mrs. Kessler has served on the District NMI Council in several capacities for 27 years and the last 12 years as President. She continues to serve on the Global NMI Council representing the Eastern USA area. At the request of the newly elected District NMI President and the Executive Committee, Mrs. Sharon E Kessler has been asked to continue to serve on the council.
